

JR4-2-201 Definitions.

As used in this part:

- (1) "Committee substitute" means a substitute bill or resolution that is prepared for introduction in a Senate or House standing committee.
- (2) "Floor substitute" means a substitute bill or resolution that is prepared for introduction on the Senate or House floor.
- (3)
 - (a) "Germane" means that the substitute is relevant, appropriate, and in a natural and logical sequence to the subject matter of the original legislation.
 - (b) "Germane" includes a substitute that changes the effect or is in conflict with the spirit of the original legislation if the substance of the substitute can be encompassed within the short title of the underlying bill.
- (4) "Replacement legislation" means a bill, resolution, or substitute that replaces the original because of a technical error.
- (5) "Substitute" means a new bill or resolution that:
 - (a) replaces the old bill or resolution in title and body; and
 - (b) is germane to the subject of the original bill or resolution.
